Re: U.S. patent application entitled: Magnetic Resonance Imaging Methods and
Compositions
Our ref. 56873

Dear Dr. Constantinides:

Thank you for your facsimile letter of earlier today.

Enclosed please find the Declaration form for your above-referenced application. As related, we are required to submit that Declaration signed by you as the inventor of the application to the U.S. Patent Office.

Please sign and date the Declaration on page 3 where indicated, print your citizenship where indicated on page 3, and return the signed form to me by facsimile and courier service today if possible.

My facsimile number is 617 439 4170. For your convenience, a Federal Express label with our billing account number is enclosed with the confirmation copy of this letter

As you requested, enclosed is a copy of the application as filed with the U.S. Patent Office.

Thank you for your assistance in this matter.

Best regards,

Peter F. Corless
